

# THE DATASHEET OF MS614S-FL28E

(NOTES)1. TAB pulling strength : Over 9.8N(1.0kgf)

(注)1. 端子引張強度 : 9.8N(1.0kgf) 以上

| Tolerances of linear dimensions<br>長さ寸法公差  |                 |  |
|--------------------------------------------|-----------------|--|
| Dimension<br>寸法                            | Tolerance<br>公差 |  |
| 0 - 3                                      | ±0.20           |  |
| 3 - 6                                      | ±0.20           |  |
| 6 - 30                                     | ±0.50           |  |
| Tolerances of angular dimensions<br>角度寸法公差 |                 |  |
| ±2°                                        |                 |  |

|             |              |           |                                                                                     |       |                 |                                                                                                                                  |

## Optimize Your Supply Chain with WIN SOURCE Solutions

- ✓ Global Sourcing Solution
- ✓ Obsolete Management
- ✓ Cost Control Management
- ✓ Shortage Management
- ✓ Alternative Solution
- ✓ Excess Inventory Management
