## How to Request for free sample Online ?

### a. Request for the free sample

WIN SOURCE has been working hard to support engineers and electronics enthusiasts in continuous creation and invention, and provide free samples to the factory for project research and experimental invention.

Click on the “Request Free Samples” button on the products page.

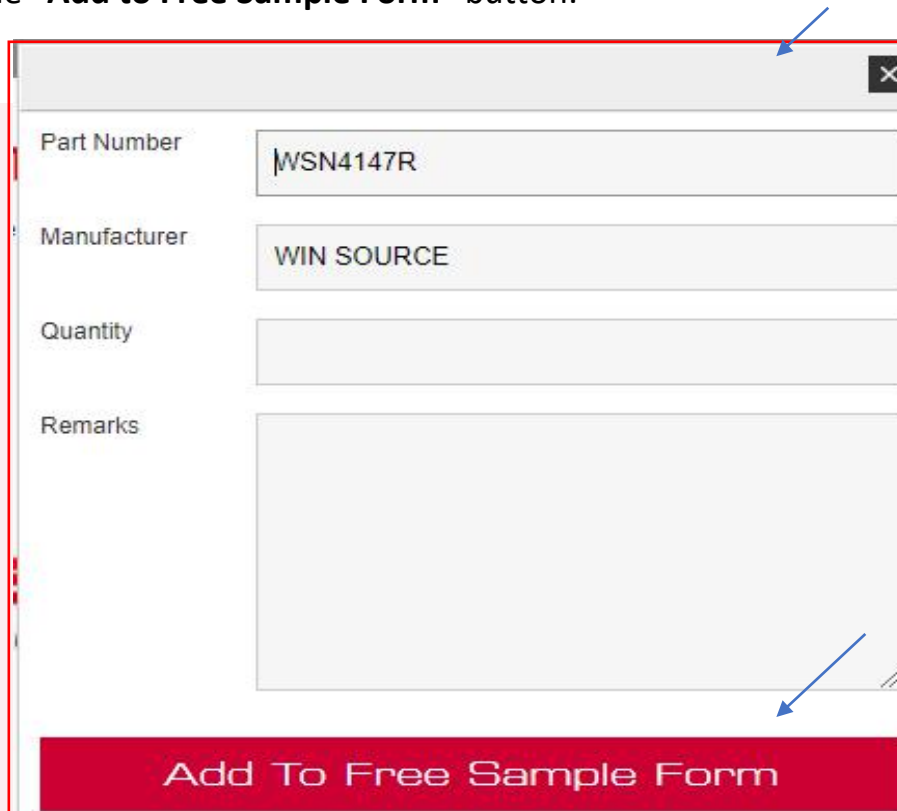

The screenshot shows the product page for WSN4147R. The page includes the WIN SOURCE logo, a breadcrumb trail (Home / Alternative Components / Leakage protection circuit / WSN4147R), and a detailed product information box. The product information box contains the following details:

- Part No : WSN4147R
- Manufacturer : WIN SOURCE
- Catalog : Leakage protection circuit
- Description : Low Power Ground Fault Interrupter (GFI) Controller With SCR type
- RoHS COMPLIANT logo
- Request Free Samples button (highlighted with a red box and a blue arrow)
- REQUEST FOR QUOTE button
- Availability (In-stock): 500,000 pieces
- \*Need More Quantity?
- Shipped from : HK warehouse
- Expected Shipping Date : 21 Jan 2021
- Social media icons (Facebook, Twitter, YouTube, Email, Plus, Print)

Below the product information box, there are three tabs: Specifications, More Info, and Contact Us. The Contact Us tab is selected and highlighted with a blue arrow. Below the tabs, there is a table with the following data:

ECAD Module	 Build or Request PCB Footprint or Symbol
Family	Leakage protection circuit
Win Source Part Number	WSN4147R
Manufacturer	WIN SOURCE
Packaging	SOP8
Alternative Part Number	

b. Then the following pop-up will appear on the screen. Enter the quantity you need then click the **“Add to Free Sample Form”** button.

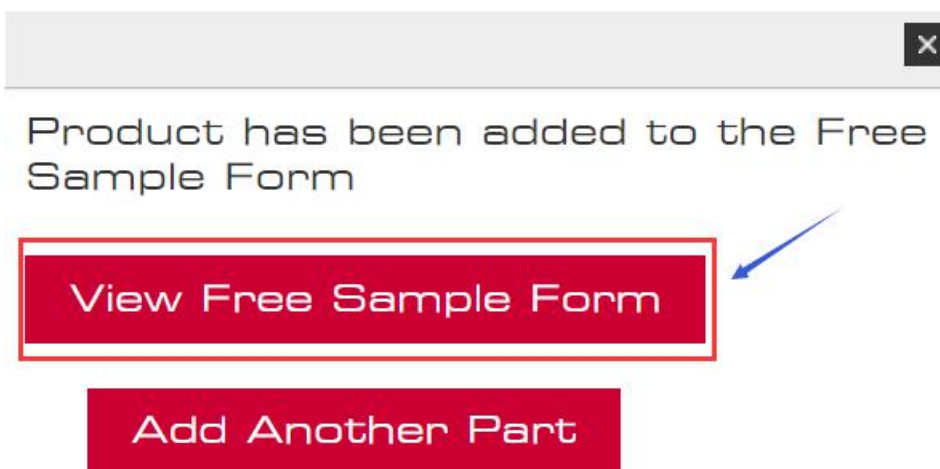

The screenshot shows a pop-up window with a close button (X) in the top right corner. The form contains the following fields:

- Part Number: WSN4147R
- Manufacturer: WIN SOURCE
- Quantity: (empty text box)
- Remarks: (empty text area)

At the bottom of the form is a red button labeled **Add To Free Sample Form**. A blue arrow points to the close button in the top right, and another blue arrow points to the bottom right corner of the form area.

c. Then you could click **“View Free Sample Form”** button for submission or **“Add another Free part”** button for getting more free sample.

The screenshot shows a confirmation message in a pop-up window with a close button (X) in the top right corner. The message reads: **Product has been added to the Free Sample Form**.

Below the message are two red buttons:

- View Free Sample Form** (highlighted with a red border and a blue arrow pointing to it)
- Add Another Part**

d. After you have selected the free parts you need, you will turn to the final submission page in **“My account”**, confirming the information of the required parts, explaining your thought to Win Source ,including your project name, description, comments, and click the **“Next”** button to submit the form successfully.

All requests will be submitted to their pending approval system. They will contact you shortly to notify you of the status of your request within 3-7 business days.

**Remind:** Free Sample Campaign only for registered customers.please register your account if you want to get the free sample.

The screenshot displays the WinSource Electronics website interface. At the top, the navigation bar includes 'Products', 'Manufacturers', 'My Account', 'Supports', and 'About Us'. The 'My Account' section is active, showing a sidebar with options like 'Customer info', 'Addresses', 'Orders', 'Reward points', 'Share and Invite', 'Inquiry', 'Change password', and 'Get Free Electronic Parts'. The main content area is titled 'Get Free Electronic Parts' and contains a form with the following fields:

Part Number	Manufacturer	Description	Quantity	Remark
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Below the table, there are three main sections:

- Project Name:**
- Project Description:**  (with placeholder text: "A brief description or Project links")
- Comment:**

A red 'Next' button is located at the bottom right of the form area.
